

Press release 1 March 2024

# Saab publishes its 2023 Annual and Sustainability Report

Saab's Annual and Sustainability Report for 2023 is as of today available on the Group's website [www.saab.com](http://www.saab.com).

The Annual and Sustainability Report 2023 describes Saab's important role in keeping people and societies safe, and how our investments in capacity, innovation and our employees ensure that we can deliver in a new reality.

The report also presents Saab's sustainability efforts during the year, which include an updated strategy with a clear ambition to be a sustainability leader in the defence industry.

The report is available in both Swedish and English. A printed version of the report can be ordered by email to [annual.report@saabgroup.com](mailto:annual.report@saabgroup.com). The Swedish Annual Report is also available on the Group's website in European Single Electronic Format (ESEF).

A short online version of the Annual Report can be found on [www.saab.com/annual-and-sustainability-report-2023](http://www.saab.com/annual-and-sustainability-report-2023).

*Saab is a leading defence and security company with an enduring mission, to help nations keep their people and society safe. Empowered by its 22,000 talented people, Saab constantly pushes the boundaries of technology to create a safer and more sustainable world. Saab designs, manufactures and maintains advanced systems in aeronautics, weapons, command and control, sensors and underwater systems. Saab is headquartered in Sweden. It has major operations all over the world and is part of the domestic defence capability of several nations.*

*The information is such that Saab AB is obliged to make public pursuant to the Securities Markets Act. The information was submitted for publication, through the agency of the contact person set out above, on 1 March 2024 at 10.00 (CET).*
