Saab signs major contract for Carl-Gustaf with Poland

Saab has today signed a contract with the Polish Ministry of Defence's procurement authority for delivery of the Carl-Gustaf® M4 weapon, ammunition and training equipment. The order value corresponds to SEK 12.9 billion and the contract period is 2024-2027. The order is expected to be booked by Saab before the end of Q2 2024.

"I am proud of our close relationship with the Polish Armed Forces and that Saab can continue to strengthen Poland's ground combat capability and national defence with our world-leading Carl-Gustaf system," says Saab's CEO and President Micael Johansson.

The contract is expected to be effective by the end of Q2 2024, subject to the fulfilment of certain external conditions.

Saab's Carl-Gustaf is a man-portable, multi-role weapon system with a wide range of ammunition types, making it suitable for a variety of tasks. Read more: www.saab.com/products/carl-gustaf.

Saab is a leading defence and security company with an enduring mission, to help nations keep their people and society safe.
