CU 19:076 E**Invitation to Saab's Annual Sensor Seminar:****Using sensors to locate threats - an advantage on the battlefield**

Saab is pleased to invite media, financial analysts and investors as well as other stakeholders to our annual Sensor Seminar in London, UK, on 27 November 2019.

The Sensor Seminar 2019 will be hosted by Anders Carp, Senior Vice President and Head of Saab business area Surveillance.

Today's armed forces must prepare for tomorrow's demanding missions, with an increasing threat from artillery, missile and rocket systems. These threats must be detected and counteraction must be taken. The Saab Sensor Seminar will provide a briefing on our sensor systems that are designed to meet this challenge in multi-domain operations. The Saab Sensor Seminar will also provide a market outlook for sensors worldwide.

Programme:

14:00 until 15:30 GMT

- Welcome by Anders Carp, SVP and head of Saab business area Surveillance
- Encountering threats with surface radars, Hanna Svantesson, Head of Product Management Surface radars, Saab
- Using cyber and electronic warfare for situational awareness, Robert Humeur, Future Sensor Capabilities, Saab
- Market outlook and closing remarks by Anders Carp, SVP and head of Saab business area Surveillance
- Question and answer session
